

New Tuition Rates for BT-SLO Classes

Beginning Fall 2019

Background

We have increased our tuition rates for the 2019-20 season. We have not raised our rates since fall 2016. In the three years since fall 2016, many of our costs have increased. We are doing our best to strike a balance between providing affordable classes and staying in business. BT-SLO tuition is charged on a monthly basis.
